

52" X 100" FULL GANTRY LASER SYSTEM

With a 50 Watt Laser Installed

Laser Sizes Available:
30 Watt, 50 Watt,
100 Watt, 150 Watt,
200 Watt and
400 Watt

The 52 Series Tables offer a rugged table structure that will hold up to your demanding production schedules.

One unique quality of this system is the easy access to three sides of the table for unobstructed loading and unloading of stock material and product.

Multiple lasers can be mounted on this system or any Kern Laser System to increase your production.

Install a 30-watt air-cooled laser to cut and engrave woods, plastics, leather and other materials. Install a 100-watt laser or larger with the metal cutting option for cutting mild steel and stainless steel to have a completely versatile system.
